

## 2020 Annual Report

Helping families is the aim of Miracle Travel Works and our execution is flawless. No one associated with Miracle Travel Works receives a salary so our mission is not compromised by a payroll. This allows us to maximize the amount of donations used to help children and their families.

Those funds help families cope with their children's terminal and chronic illnesses, and to eliminate financial stress when it comes to getting the best treatment for a child in need. We also understand that both parents and sick children need each other during medical treatment, so your support helps bring families together during the most trying moments.

Please take a look at our huge success from 2020 and thank you for your ongoing and generous support.

**Miracle Travel Works operates on a continuum, because we know that our families need a strong support network. Not only for the actual health care, but for what it takes to receive the necessary health care. It takes a dedicated family; it takes commitment and underlying strength. We help address the comprehensive needs of families with sick children by providing financial support to get them to the best care, assisting with travel costs.**

Sheeder, Justin

“We are so greatly appreciative to Miracle Travel Works for this opportunity and support. This foundation has helped provide us financial comfort during this stressful time. Unfortunately financial worry is a major chunk of NICU life, and this gift has helped alleviate that worry. Thank you, words cannot express how grateful we are.”

The Burkett Family

“We can’t tell you how much your assistance takes a load off of us financially, without your help, making this trip may not be possible for our son and we are truly grateful that he is allowed to be treated by Doctors that are a MUST in his situation. Thank you again!”

The Wrights- Melissa, Brett, Tanner and Tucker

“Thank you to everyone that helps support the work that Miracle Travel Works does to help families like ours offset travel expenses during medical treatments. It is a true blessing.”

“Miracle Travel Works has been a true blessing to us during a very difficult time. Thank you so much. Your generosity will not be forgotten.”

Marianne and Blaine Sanders
